

TIP TIG | USA

The Evolution of TIG

REPAIR REQUEST

In order to start the repair process, please fill out this form completely and send a signed copy with the equipment to be repaired.

Incomplete forms will delay the equipment repair. TIP TIG USA needs specific details in order to proceed with a Repair Estimate.

Description of Problem (TIP TIG USA needs specific details in order to proceed with a Repair Estimate):

SIGNATURE: _____ DATE: _____

All units returned for warranty repair are subject to Warranty Inspection. Warranty and repair work shall not apply to machines with a sold date that is over one year from invoice date or that have been altered or subject to misuse or used while any parts are loose, broken, or damaged, or used with other than original TIP TIG consumables which may affect performance and safety. Torches are not covered under warranty.

- We will contact you prior to making any repairs for approval and request a formal purchase order.
- Please ship all repairs to the address listed below.

155 East 9th Ave. Suite A Runnemede, New Jersey 08078
